VAIBHAV 2K26

Event Name: BUILDATHON

Student coordinators

1. Ms. Madiha Mannangi, 6th Sem, ECE (8105669846)
2. Ms. Sinchana Kulkarni, 6th Sem, ECE (9483270923)
3. Mr. Md. Anas Khan, 6th Sem, ME (8217589739)
4. Mr. Kishan Bharade, 6th Sem, ME (6362928359)
5. Mr. Satvik Pandurangi, 2nd Sem, ECE (8073623745)

Staff Coordinators

1. Prof. Prabhudev Mallapur. (7083403465)

Rules and Regulations:

- "The project must be based on Arduino."
- Participants should build a unique, working model using the components provided by the coordinators.
- No extra components will be provided by the college, and participants should not bring their own components.
- Participants are not allowed to connect their laptops to the internet. No use of AI applications either from the laptop or mobile or any other devices.
- Participants should bring their own laptops and are allowed to copy and paste code.
- If there is any damage to the provided Arduino board (excluding other components), the participants must pay for it.
- A team can have a maximum of 3 members, or you can participate as a solo competitor.
- Credits will be given based on the uniqueness and modern efficiency of the model.
- The participation fees for the JCET students is free and for the other college students is Rs 250 per team.
