

VAIBHAV - 2K26 **“PROJECT PITCH”**

General Event Guidelines

1. Team Composition

- **Team Size:** 3 to 5 members. Cross-departmental teams are encouraged to foster diverse perspectives.
- **Eligibility:** Open to all current students of the college.
- **Pre-registration:** Teams must register by 25th March 2026 with a team name and an initial "Problem Domain" selection.

2. Submission Requirements

Since no code or physical prototype is needed, teams must submit a **Pitch Deck (PPT)** containing:

- **Problem Statement:** Deep dive into the "Problem Statement"
- **Target Audience:** Who is affected by this problem?
- **The Solution:** The conceptual framework/model of your solution.
- **Feasibility Analysis:** Why is this solution practical and how could it be built?
- **Competitive Advantage:** How is this better than current existing solutions?

3. Presentation & Pitching Rules

Problem Identification: While the domain is provided, teams are responsible for identifying a specific niche problem within that domain to solve.

The Pitch Format

- **Duration:** Each team is allotted 10 minutes in total 8 Minutes: Presentation/Pitch.
- **2 Minutes:** Q&A session with the judges.

VAIBHAV - 2K26

- Strict Timing: A warning bell will ring at the 5-minute mark. At 8 minutes, the presentation must stop immediately to ensure fairness.

4. Required Deliverables

- Each team must prepare a visual presentation (PPT) covering:
- **Problem Statement:** The specific "Problem Statement" being addressed.
- **Proposed Solution:** A clear explanation of the product, service, or process.
- **Technical Feasibility:** How will it work? (Include a basic architecture or workflow).
- **Market/Social Impact:** Who benefits and how?
- **Scalability:** Can this solution grow or be applied elsewhere?

5. Evaluation Criteria (The Scoring Rubric)

- Your solution will be judged on a scale of 1–10.

(NOTE: Professionalism: Team members must wear college ID cards and maintain a professional decorum.)
